

TAIYO KOGYO CO., LTD.

Advanced PCB for **Power Electronics**

■ High Current - 200A -

■ Thermal Management

■ Space Saving

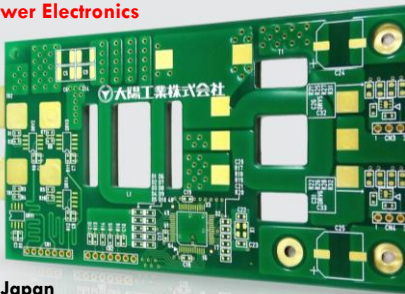

■ Power & Control

■ Thick Copper

8.6oz / 14.3oz / 57oz

■ Bus Bar Embed

■ Copper Inlay / Cavity

100% Made in Japan

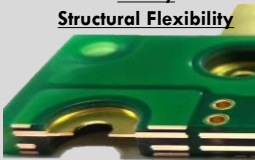

Please visit our website for more information.

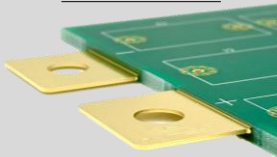

Copper Inlay
Heat Path for Power Device

Cavity
Structural Flexibility

Bus Bar Terminals

Combination
Power 8.6oz & Control 2oz
